NAMC visits transformation farmer

A NAMC delegation recently visited the pecan farm of Mr Mandla Dube, near Bronkhorstspuit. The delegation consisted of Me Cindy Chokoe, Mr Elvis Nakana, Ms Mathilda Van der Walt, Mr Schalk Burger, Mr Brian Makhele and Mr Bonani Nyhodo.

Mr Dube is one of the emerging pecan farmers on the SAPPA Transformation Programme. The project manager (Mr Hanru Pienaar) welcomed the visitors and gave information regarding the programme and Mandla's farm. Mr Albert Bouwmeester (SAPPA vice-chair) filled-in with more information about SAPPA and regional pecan production trends. The delegation participated enthusiastically with questions about the cultivation of pecans, whilst enjoying refreshments.

The next stop was Elandsdraai, Cullinan where Albert took the group on a tour through the processing plant. The group was very impressed and asked many questions, especially about marketing. Albert shared his passion and answered questions informatively.

On behalf of the visiting group: "A big thank you to Mandla and Albert for the opportunity to visit your farms."
