Terugvoer oor die “17 th Food Exhibition for China Nuts and Dried Fruits Fair for Purchase and Supply”

Deur: **Alfons Visser** en **Werner Erasmus** (markontwikkelingskomitee-lede).

Ons was bevoorreg om deel te wees van 'n kollektiewe bemarkingspoging in Sjina om Pekanneute en meer belangrik, Suid-Afrikaanse Pekanneute te bevorder. Die aksie is onder SAPPA se nuwe handelsmerk Pecans from South Africa aangevoer.

Crop Estimate - May 2024

The latest estimate remains relatively unchanged, with the exportable nuts expected to be between 26,800 and 28,200 tons.

The total harvest is estimated to be between 29,800 and 31,300.

John Ramohlabi boer vooruit

Ontmoet John Ramohlabi, 'n boer van Jacobsdal. In 2016 het SAPPA 'n draai by John se plaas gemaak om te sien hoe sy boerdery vorder. Alhoewel hy reeds 2 hektaar van sy eie

bome aangeplant het, het hy min kennis van pekanboerdery gehad. Hardus du Toit se besoek en advies het egter 'n nuwe vonk in John se passie vir pekans aangewakker.

Statutory Levy - 2024

We would like to once again draw everyone's attention to the levy on in-shell pecan nuts for the 2024 season, which will be 42 cents per kilogram.

If the levy applies to kernels, it amounts to 84 cents per kilogram.

Nuwe Personeellede

SAPPA is opgewonde om ons twee nuwe personeellede te verwelkom.
