INHOUD/CONTENTS

- Terugvoer oor die afgelope “International Nut and Dried Fruit Congress (INC)” in Vancouver, Kanada. (8 – 10 Mei 2024)
- Crop Estimate - June 2024
- 2024 Seisoen
- Harbour Report: Durban and International Overview

Terugvoer oor die afgelope “International Nut and Dried Fruit Congress (INC)” in Vancouver, Kanada. (8 – 10 Mei 2024)

Deur Albert Bouwmeester (Ondervoorsitter van SAPPA)

Ek was bevoorreg om namens SAPPA die INC kongres by te woon, asook was die geleentheid daar om tesame met vier ander lande (VSA; Meksiko; Sjina en Frankryk) in ‘n paneelbespreking deel te neem. Die INC neem jaarliks aan die meeste groot voedselskoue in die wêreld deel. Hulle promoveer hierdeur volhoubare groei van neute en droë vrugte wêreldwyd om so verbruik te bevorder.

Crop Estimate - June 2024

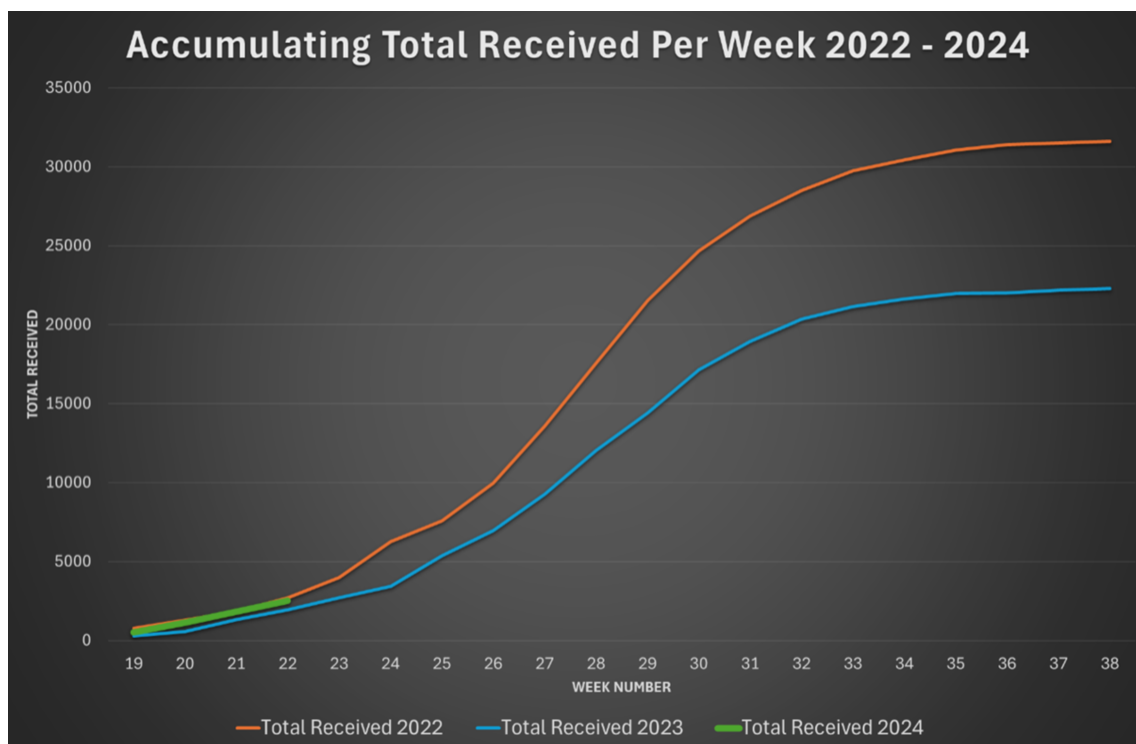

The latest estimate is unchanged, with the exportable nuts expected to be between 26,800 and 28,200 tons.

The total harvest is estimated to be between 29,800 and 31,300 tons.

2024 Seisoen

Die 2024-seisoen het amptelik goed afgeskop. Totale ontvangste teen die einde van verlede week (week 22) was ongeveer 2 500 ton; in 2023 was dit 1 950 ton en in 2022 2 700 ton in dieselfde week.

Alhoewel dit nog te vroeg is om brawe voorspellings te maak, is ons opgewonde oor 'n goeie oes van gehalte. Ons wens julle alle sterkte toe, mag alles seepglad verloop.

Harbour Report: Durban and International Overview

The Durban port is experiencing delays due to ongoing dredging and equipment failures. The waiting time for vessels who are in queue to load/unload increased last week, reflecting the intensifying congestion.
