Taking Hands with Mexico

According to the International Nut and Dried Fruit Council (INC), Mexico produces around 45% of the world's pecans. They currently have approximately 150 000ha of pecan plantings, of which 75% is in production. Mexico and the USA are undoubtedly the largest players in the pecan industry.

Sappa recently had an online meeting with Mr. Arsenio González, the director of Real Torio and president of the Mexican Pecan Council.

Oesskatting - Julie 2024

Die nuutste skatting toon 'n afname, met die uitvoerbare neute wat na verwagting tussen 25,600 en 26,900 ton sal wees.

Die totale oes word tussen 28,400 en 29,900 ton geskat.

Orchard Mapping Update

The orchard mapping process is progressing exceptionally well. We have successfully mapped 45,813 hectares of pecan orchards, with work still ongoing in Regions 1, 2, and 3.

Please review the dummy guide to ensure your orchards are mapped accurately. The process is straightforward, quick, and user-friendly.

Dries Smith van Straussburg

Dries Smith het in 2015 drie hektaar pekanneute in Straussburg naby Upington geplant. André Coetzee van SAPPA het hom besoek, en sy aanvanklike sukses was fenomenaal. In 2016 het SAPPA besluit om 100 bome aan Dries te voorsien. Intussen het Dries uitgebrei; hy het onlangs nog 15 hektaar aangeplant en beplan om binnekort bykans 25 hektaar pekanneute te boer.
